To Whom It May Concern:

Top Gun Security located at 18333 Egret Bay Blvd, Suite 421, Houston, TX 77058 has been employed in the capacity of Security (Courtesy) Officer with our company for the last six months.

During that time they have made a considerable improvement in our property and the surrounding area. They were hired as a visual deterrent and do so as they walk the property and patrol the area by vehicle. They are very professional at all times and the residents like and respect them.

I would not hesitate to recommend them to anyone in need of their services.

Very Truly Yours,

Terry Brooks
Property Manager
