Dear Top Gun Security and Investigations,

Vicky Anderson has been involved with SOTX for more than eight years, after being recruited by a head of delegation. The 42-year-old competes in basketball, bowling, softball, track and shotput. Vicky leads a very full life - she has a job, an apartment, and many hobbies to keep her busy. An independent woman, she has worked at Goodwill for almost two years, and shares an apartment with her friend, Charlotte.

On behalf of athletes like Vicky, I would like to thank you for your sponsorship of Mulligans and Mudbugs Charity Golf Classic presented by SGS. Your generous contribution of \$700.00 in support of Special Olympics Texas makes it possible to provide sports training and competition for the 40,733 athletes in the Lone Star State.

Your gift helps change lives. Success stories like Vicky's abound because athletes were given an opportunity to get involved with Special Olympics Texas, offering continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in the sharing of gifts, skills and friendships with their families and communities.

Thank you for helping us to make a difference. Thank you for helping us to change lives.

Sincerely,

Pamela Hollaway
Area Director - Area 22
